

The Clothes Line

Lesson plan 9: Oral presentation

Age group: 7 - 11

Aims:

To extend the children's vocabulary and use of language.

What to do:

Ask the children to do a 'chain mime' of the sequence of jobs portrayed in the photos in the **photo gallery** (see Power Point). The children are themselves but miming the tasks. They should then use an interview technique for presentation.

'What work are you doing?'

'We're using a spinning wheel to make thread' (photo 3).
