An ideal future

Me, my family and friends	My school
My local community	Our world

What can I do to make a difference?

Me

My resolution is to be kinder to others...

...leave a positive message for someone else to find

...listen carefully to others

...let someone know why I appreciate them

...contact a friend or relative I haven't spoken to for a while

...smile at people more

...give kind comments to people

...accept differences of opinion

My school

My resolution is to help make our school welcoming to all...

...design a
welcome pack for
new pupils

...find out about the
school's equal
opportunities policy

...learn words in
other languages

...talk or play with
someone I don't
know very well.

...tell someone if I or
someone I know is
being bullied

...find out about the
UN Convention on the
Rights of the Child

...be a buddy for a
younger pupil

My local community

My resolution is to help others in my community

...paint pictures to
send to residents at
a local care home

...find out about
ways in which I
could volunteer

...donate food to
a food bank

...research an issue
affecting my local
community

...donate my unwanted
clothes, books and toys
to a local charity shop

...do a beach
clean or litter pick

...try to buy locally and
support independent
shops near me

Our world

My resolution is to take action to tackle the climate crisis

...plan and deliver an assembly to raise awareness

...write to my MP or local businesses about the importance of taking action now

...set up a school garden or wildlife area

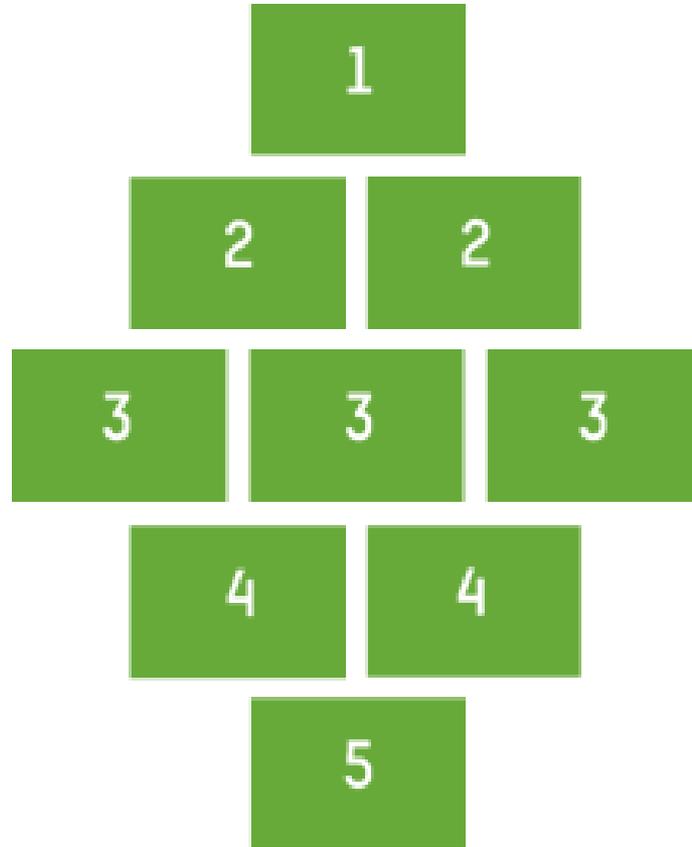

...organise a school week of action

...eat less meat and dairy

...try to walk or cycle more

...research some of the amazing ways in which people around the world are taking action

Ranking actions

‘You may never know what results come of your actions, but if you do nothing, there will be no results.’
