English and Literacy: Bullying
Lesson plan 7: Creative writing

Age group: 6-8

Resources:
You will need the following books:
- *Hurrah for Ethelyn* by Babette Cole;
- *Frog and the Stranger* by Max Velthuijs.

Introduction and whole-class activity:
Choose one of the texts and ask the pupils to point out capital letters and full stops and explain why they are used.

1. What other punctuation is used in the text?
2. Can the pupils think of any more?
3. Are the pupils clear about the meaning of the words?
4. Is there any new vocabulary to add?

Group activity:
Ask the pupils to plan and write their own stories about bullying or being bullied. (This may need additional time for completion.) Many of the pupils will immediately have ideas for their stories. Others will need to be guided more carefully with a writing frame or modelled writing led by the teacher. For some pupils the basis for a story will need to be planned with the teacher.

Plenary:
Ask some of the pupils to share their story introductions.
