Push and pull factors

Activity sheet

Push factors	Pull factors
Lack of services (for example schools and health care)	Better work opportunities
Being unsafe	Better services (for example, schools and health care)
Poverty	Safer, with less crime
High levels of crime	To be nearer family or friends
Crops failing	Political stability
Disasters such as earthquakes, flooding or drought	More fertile land for growing crops
Conflict	Less risk from disasters such as earthquakes, flooding or drought
